SELECTED WORK

IITian Macro

APP · WEB-APP · FINTECH

Phone-first companion for a professional macro desk. Dark charcoal, lime accent, glass navigation — dense market data that still reads as a product, not a spreadsheet.

- Home desk: live ticker, market-bias gauge (7-tier, 31 factors), insight cards, AI assistant FAB
- TradeAI paper terminal: consensus boards, event-risk calendar, Crypto / Metals / Energy / US Stocks
- Explore sheet: Trading, Core, and Economy desks behind a floating five-tab bar

Shipped as a Next.js + Capacitor Android pitch APK. Education only · paper trading — not a broker.

Sarveio

WEBSITE · PRODUCT UI

sarveio.in

Public site for a restaurant OS: one QR scan, AR dish preview on the table, gesture order, live kitchen display. Dark hospitality marketing — cinematic hero, feature grid, three-step journey, pricing.

Carrystyle

WEBSITE · BRAND

carrystyle-bags.vercel.app

Brand site for a Mumbai / NCR bag factory — canvas totes, laminated jute, executive gift bags at factory scale. Typographic wordmark, collection-to-quote flow, industrial-luxury B2B tone.

Brand & product UI

WEBSITE · APP

Streetwear e-commerce for RAIMENT / N°10 LAB. Music-streaming mobile UI (dark, purple glow, glass dock). Google Developer Groups landing and a light-mode CRM analytics dashboard. Sanmati — web project in progress on Vercel.

YouTube packaging

THUMBNAILS · EDIT

Weekly markets show: type-led finance thumbnails, studio direction, edit and grade. Face + type + one accent, built to read at 120px and still hold at 1920.
